

FIVEWAYS GROUP

Leading providers of specialist
municipal and commercial vehicles

- ★ Spot Hire
- ★ Contract Hire
- ★ Fleet Service Support
- ★ Fleet Washing
- ★ Digital Media

Fiveways Group have been delivering fleet management solutions for over 24 years and provide a cost-effective, high-quality service with the focus on getting it right first time. We provide fleet maintenance solutions nationwide and have over 400 specialist vehicles on our spot hire and contract hire fleet.

FIVE-STAR Fleet Management

Fiveways is a family-run business established in 1998 in Bow. Starting with four vehicles, the company identified a gap in the market for supplying waste collection vehicles to local authorities. Fast-forward to today, Fiveways operate from Basildon and have a diverse range of over 400 vehicles including waste collection vehicles, sweepers, cage tippers, box vans, skip loaders, gully tankers, hook loaders and tractor units. We are well-positioned to fulfil almost any spot hire or long-term contract hire agreement. The family remain fully involved in the daily operation and smooth running of the company.

Our team of experienced and dedicated staff ensure that quality remains at the heart of our business. Whatever you need, at Fiveways, we provide reliable and deliverable solutions.

Fiveways five-star service includes:

- ★ Spot Hire
- ★ Contract Hire
- ★ Fleet Service Support
- ★ Fleet Washing
- ★ Digital Media

Our experienced fleet engineers maintain our spot hire fleet to the highest standard ensuring that customers benefit from minimal downtime.

OUR SERVICES

Spot Hire

Our friendly Spot Hire Division provides a responsive service to any customer request. We supply a large range of specialist vehicles including waste collection vehicles from 7.5t to 32t, sweepers, cage tippers, box vans, skip loaders, gully tankers, hook loaders and tractor units. Our ongoing investment programme makes sure that our vehicles are fitted with the latest technology to ensure that we can help our clients maintain the highest health and safety standards. More recently they have been fitted with 360-degree cameras, cyclist detection and warning devices as standard specification. Our industry leading safety equipment ensures that these vehicles are compliant with the Fleet Operators Recognition Scheme (FORS).

We are committed to reducing our carbon footprint with all vehicles fitted with Euro VI engines. We strive to lead the way with our sustainable fleet; most recently adding electric waste collection vehicles to our spot hire fleet.

- ★ Wide range of high spec vehicles
- ★ Nationwide service
- ★ 24 hour mobile engineer service
- ★ Flexible and competitive hire packages

OUR SERVICES

Contract Hire

Let Fiveways remove the pressure of managing your fleet with a range of contract hire options for local authorities and the private sector. We can tailor a package to suit your budget whilst ensuring that quality is not compromised. Our contract hire packages are available on new or nearly new vehicles and when coupled with our continuous replacement profile we will ensure that lead times are minimised. Hire packages can include supply of vehicle and full maintenance or a maintenance only package. Vehicles are fitted with 360-degree cameras, cyclist detection and warning devices as standard.

Contract hire is a great option for businesses that need a longer commitment and may want a specific vehicle for a fixed time.

- ★ Great choice
- ★ Quality vehicles
- ★ Ultra-fast delivery
- ★ 1st class service
- ★ 24/7 support

80 YEARS'
Experience

Our flexible approach ensures that we provide tailor-made, service-level agreements to meet all business requirements. Our business development team have over 80 years' combined experience in the waste industry and can offer advice on a range of operational solutions to derive cost savings and efficiencies. We can also advise on ancillary equipment such as bin weighing, carbon monitoring software, vehicle tracking, LED vehicle lighting and industry leading safety technology.

We can build all this into a contract hire package to ensure best value for our customers.

OUR SERVICES

Fleet Service Support

Fiveways is an industry leader in providing flexible fleet service support. Our highly trained and responsive fleet engineers are available 7 days a week, 24 hours a day. We can provide a variety of maintenance options to meet your business needs, from supply of vehicle and full maintenance to maintenance only packages.

Our fleet compliance manager ensures that all fleet compliance documentation (whether for spot hire or contract hire) is supplied in real time; this includes PMIs, brake tests, LOLER, MOTs, etc.

We have the added benefit of having our own MOT test lane at our head office in Basildon, removing the reliance on third-party facilities.

Fiveways has the experience of managing third-party maintenance facilities on behalf of our clients; including TUPE transfer and direct employment. Our fleet service support includes:

- ★ Fleet management and scheduling
- ★ Servicing and inspections
- ★ MOT and LOLER certification
- ★ Breakdown recovery
- ★ Mobile engineer network
- ★ Staff training and TUPE transfers
- ★ 24/7 fleet support desk
- ★ Tailored service-level agreements

**NATIONWIDE
Cleaning Service**

OUR SERVICES

Fleet Washing

Fiveways understand that maintaining a clean fleet is not only important for your company image but also to ensure reliability of the vehicle. Our nationwide network of mobile truck washing provides a professional vehicle cleaning service at a frequency that meets your business requirements, and hours to suit your operational needs. This approach ensures that vehicle availability is not compromised by providing a bespoke service for your business needs.

We have a range of traffic film removers and ensure that the vehicle cab and body is manually brushed and then pressure washed. We offer additional cleaning services to include washing of the bin lift mechanism and dig out of all accumulated waste from behind the ejector ram.

- ★ **Ensure positive company image is maintained**
- ★ **Improve reliability of vehicles**
- ★ **High-quality traffic film remover**

OUR SERVICES

Parts Department

Fiveways understand the importance of ensuring vehicle downtime is minimised. With disruption to global supply chains becoming a more frequent theme in the industry, our dedicated parts manager will closely monitor market conditions. This ensures that we can remain ahead of the curve when parts and components are in short supply.

We offer:

- ★ Increased parts availability
- ★ Vast network of suppliers
- ★ Reduced costs through economies of scale
- ★ Patent and manufacturers parts
- ★ New and second-hand parts

**LESS
Downtime**

OUR SERVICES

Mobile Outdoor Display Screens (MODS)

Fiveways have developed patented LED mobile outdoor display screens which can be mounted on the customer's vehicle or one of our contract hire vehicles. The display screens are used to engage, captivate and convey your marketing messages to your target audience in real time. They offer an innovative marketing solution, allowing our customers to move away from more conventional print marketing. The cinematic screens measure an impressive 2.5m wide by 1.25m high. Situated at eye-level, they boast an outstanding 3.9mm resolution pixel pitch, creating an immersive, dynamic experience.

Our screens represent excellent value and cost less than a full vehicle body wrap every year, and less than most full-page editorials in industry-leading magazines per year, over the lifespan of the screen. Customers have full access to the software and are provided with training to allow them to upload digital campaigns in only 10 clicks. Digital content can be an image or a movie, played on a loop, on specific days and times.

Fiveways have a variety of local authority and private sector customers located nationwide including London Borough of Islington, London Borough of Hackney and Urbaser Ltd.
